

Directions to Perthshire Timber Company Polney Sawmill

We are situated at DUNKELD/BIRNAM 14 miles north of Perth, 11 miles south of Pitlochry, just off the main A9 going from Perth to Inverness.

From (THE SOUTH) in Perth, head north up the A9 towards Inverness for 14 miles, you will pass signs for Luncarty, Stanley and Bankfoot. Approaching Birnam and Dunkeld, it is best not to take the first turn on right, signposted "BIRNAM DUNKELD" (this takes you all the way through Birnam), drive on A9 for one mile past the railway station on the left and take the next turn on the right, signposted "BLAIRGOWRIE COUPAR ANGUS". Follow the road round to the left, over 'Thomas Telfords' bridge over the River Tay, carry on through the main street in Dunkeld, pass the entrance to the Hilton hotel on your left, and you will approach what appears to be a 'T' junction. Carry on round to the left on to what is known locally as the old A9, (you should be able to see our big green roofed buildings on the right), after a couple of sharp bends, you will pass our white sign on the right hand side, take the next turn on the right hand side, you have arrived at our office.

From (THE NORTH) at Ballinluig head approximately 4 miles south on the A9 past signs on left for Kindallachan Guay/Tulliemet and Dowally, then take next left turn signposted "BLAIRGOWRIE COUPAR ANGUS". Driving a further 3 miles on, what is locally known as the old A9, will bring you round a left hand sweeping bend with a small loch appearing on your left, Polney Loch, hence the name Polney Sawmill. After this loch take the next left hand turn you will see our offices on your left.

From (THE EAST) in Blairgowrie take the A923 Dunkeld road for 11 miles, past Kinloch, Butterstone, Loch of the Lowes and Dunkeld and Birnam golf course. Come round sharp bends and down the hill to a 'T' junction. Take a right hand turn, (left takes you into Dunkeld), on to what is known locally as the old A9, (you should be able to see our big green roofed buildings on the right), after a couple of sharp bends, you will pass our white sign on the right hand side, take the next turn on the right hand side, you have arrived at our office.
